

2022 PLC PROSPECTUS

www.tullamorefetc.ie

WHAT DO OUR STUDENTS SAY?

Enormous range of courses available, full time, part time, day and evening.

Progression options to University.

Blended classes, with a mixture of online and face to face.

Guidance support completing my CAO.

A spacious student canteen and quiet study booths.

Great Computer Facilities.

Great location in Tullamore, beside the Bridge Shopping Centre.

Student laptop borrowing scheme.

Friendly & helpful teachers and staff.

Advanced Certificate in Business with Accounting

QQI
Level 6

COURSE DETAILS

Code: **6M4985** Award Title: **QQI Level 6
Certification in Business**

DURATION

Full Time:
Sept 2022 - May 2023

This full-time one-year programme is designed to enable successful learners to gain an in-depth of the role and function of business management and accounting within different business environments, and provide learners with the knowledge, skill and competence necessary to prepare financial statements for a range of organisations both manually and using integrated accounting software. On successful completion, learners will develop knowledge and critical evaluation skills in the application of business management, bookkeeping and accounting to real life scenarios. Key areas of study are business, accounting, advanced spreadsheets, economics and team leadership alongside advanced IT. The programme may enhance opportunities in securing an apprenticeship in the area of Financial Services or Accounting Technician.

MODULES

- Computerised Accounts
- Bookkeeping Manual & Computerised
- Business Management
- Applied Economics
- Personal & Professional Development
- Sales & Marketing Management
- Team Leadership
- Spreadsheets
- Research and Study Skills (QQI Level 5)
- Mathematics (QQI Level 5)

All Modules are subject to change.

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting may also be required, depending on work placement setting.

Certificate in Early Learning & Care

QQI
Level 5

COURSE DETAILS

Code: **5M2009** Award Title: **QQI Level 5
Certification in Early Learning & Care**

DURATION

Full Time:
Sept 2022 - May 2023

The aim of this programme is to enable learners to develop the knowledge, skill and competence to work as autonomous practitioners, subject to practice supervision, promoting and supporting the holistic needs of children 0-6 years, and/or to take responsibility for a room or area in the early learning and care setting. Graduates may seek employment as an Early Years Practitioner within the Early Learning and Care sector including sessional pre-school services, full and part time Day Care Service.

MODULES

- Professional Practice Placement in Early Learning and Care
- Children's Rights, Legislation and Regulation
- Holistic Care of Children 0-6 years
- Early Childhood Growth and Development
- Curriculum, Play and Creative Studies
- Understanding and Assisting Children with Additional Needs

Modules are subject to change

ENTRY REQUIREMENTS

1. Leaving Cert, including Leaving Cert Applied or an NFQ Level 4 Major Award or equivalent.
2. Applicants whose first language is not English require proficiency at B2 (CEFRL).
3. A desire to work in the sector.
4. Mature learners welcome. Where an applicant does not have a Leaving Cert or Level 4, they will have the opportunity to demonstrate their readiness for the course in an interview and by writing a short piece outlining their interest in a career in early learning and care.

Computer Networks with Software

QQI
Level 5

COURSE DETAILS

Code: **5M0536** Award Title: **QQI Level 5
Certification in Computer Systems
and Networks**

DURATION

Full Time:
Sept 2022 - May 2023

In this one year full-time programme in Computer Networks with Software you will learn about the latest operating systems, computer hardware, software development and networking technologies, coupled with hands on practical experience. In addition, you will gain a strong foundation in cyber security. Students will also have the opportunity to work with staff from the Department of Computer and Software Engineering at Athlone IT, to design and build programmable robots, which can be controlled using mobile apps. This LOETB-AIT collaboration promotes problem-based learning while enabling the students to experience the creativity and innovation of a rapidly evolving sector.

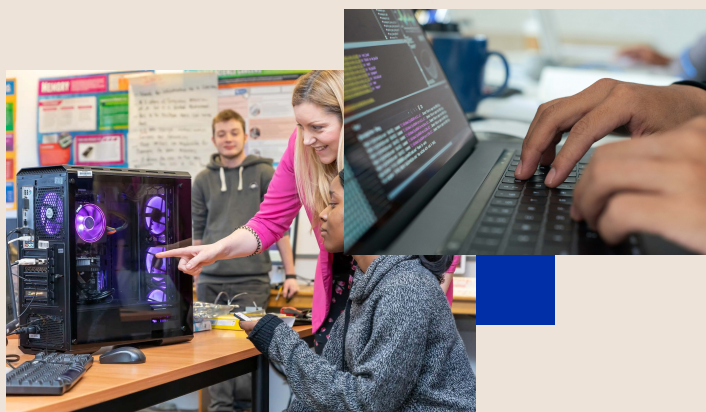

MODULES

- Computer Systems Hardware
- Networking Essentials
- Operating Systems
- ICT Security Policy and Management (Cyber Security)
- Programming and Design Principles
- Mathematics
- Personal Effectiveness
- Work Experience
- Mathematics for Information Technology

Modules are subject to change

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting may also be required, depending on work placement setting.

Pre Apprenticeship/Pre University Engineering Technology

COURSE DETAILS

Code: **5M2061** Award Title: **QQI Level 5 Certification in Engineering Technology**

DURATION

Full Time:
Sept 2022 - May 2023

This one year full-time programme will introduce students to the world of Engineering. It aims to provide students with a wide range of experience within the Engineering sectors, while preparing students for entry into third level education, apprenticeships or direct entry into the workplace. Students will attend our purpose built engineering training workshop for one full day weekly. Here the students will use and learn how to operate different engineering machines including a CNC Lathe and a Laser Cutter. This programme will allow you to become familiar with the terminology, materials, equipment and working practices within the Engineering industry. The course content will be delivered in a practical and hands on environment where students will gain experience in Engineering Processes (Welding) and Computer Aided Design (CAD).

MODULES

- Engineering Workshop Processes
- Engineering Workshop Theory
- Computer Aided Draughting (2D CAD)
- Engineering Drawing
- Electronics
- Mathematics
- Teamworking
- Work Experience

Modules are subject to change

ADDITIONAL CERTIFICATES

- Manual Handling
- Safe Pass

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting may also be required, depending on work placement setting.

Sustainable Construction Technology

QQI
Level 5

COURSE DETAILS

Code: **5M5010** Award Title: **QQI Level 5
Certification in Construction Technology**

DURATION

Full Time:
Sept 2022 - May 2023

This one year full-time programme will introduce students to the world of Construction. The programme examines construction materials and safe methodologies, with emphasis on sustainable energy efficient dwellings and green technologies. Students will also attend our purpose built engineering training workshop for one full day weekly. Here you will examine a range of different construction methods, calculate the quantities of material required to construct a domestic dwelling, create AutoCAD drawings and experience first-hand the application of renewable energy technologies.

MODULES

- Building Construction
- Teamworking
- Renewable Energy Systems
- Engineering Workshop Processes
- Materials Science
- Work Experience
- Computer Aided Draughting (2D CAD)
- Engineering Drawing
- Mathematics

Modules are subject to change

ADDITIONAL CERTIFICATES

- Nearly Zero Energy Build Fundamental Awareness (NZEB) Programme
- Manual Handling
- Safe Pass

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting may also be required, depending on work placement setting.

Applied Social Studies with Special Needs Assisting

QQI
Level 5

COURSE DETAILS

Code: **5M2181** Award Title: **QQI Level 5
Certification in Applied Social Studies**

DURATION

Full Time:
Sept 2022 - May 2023

This full-time one year programme offers an introduction to the theory and practice of Social Studies, Special Needs and Psychology. It aims to increase awareness of the practical applications of social and psychological theory, while also developing the skills and role of the Special Needs Assistant.

It is also relevant to those interested in applying Psychological theories to the area of Special Needs Assisting in an educational setting. The course allows graduates to progress to a number of Third Level courses or to progress to employment as a Special Needs Assistant (SNA).

MODULES

- Psychology
- Intercultural Studies
- Social Studies
- Special Needs Assisting
- Human Growth & Development
- Personal Effectiveness
- Work Experience
- Mathematics (Optional)
- Research and Study Skills
- Safety and Health at Work

Modules are subject to change

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting will also be required.

Healthcare Support

QQI
Level 5

COURSE DETAILS

Code: **5M4339** Award Title: **QQI Level 5
Certification in Healthcare Support**

DURATION

Full Time:
Sept 2022 - May 2023

This full-time one year programme provides a recognised qualification for healthcare workers currently in employment, as well as those seeking to work in this sector. This award is one of the Department of Health's recommended qualifications for Healthcare Assistants working in the public and private sector.

Graduates can progress to employment as support workers, healthcare assistants in public or private sector nursing homes, hospitals, agencies and community care facilities. In addition, graduates may apply through CAO to a range of higher certificate and degree programmes to both Universities and Institutes of Technology.

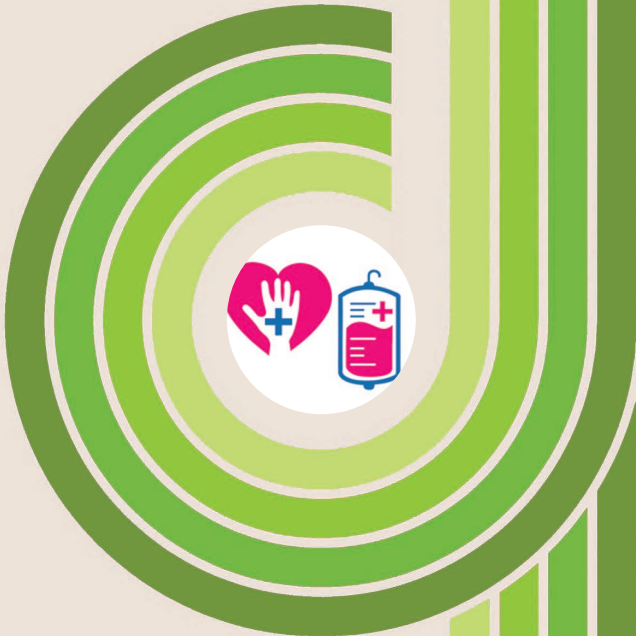

MODULES

- Care Skills
- Care Support
- Safety & Health at Work
- Work Experience
- Teamworking
- Activities of Living Patient Care
- Care of the older person
- Infection Prevention and Control

Modules are subject to change

ADDITIONAL CERTIFICATES

- Patient Moving and Handling
- Cardiac First Responder
- HIQA Standards
- Dementia Awareness
- Basic First Aid
- Safeguarding the vulnerable adult at risk of abuse
- Risk and restrictive practice in healthcare
- Tusla Child Protection
- End of life care

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting will also be required.

Nursing Studies

QQI
Level 5

COURSE DETAILS

Code: **5M4349** Award Title: **QQI Level 5
Certification in Nursing Studies**

DURATION

Full Time:
Sept 2022 - May 2023

This full-time one year programme aims to provide the student with the necessary knowledge and skills to progress on to a nursing degree course at Third Level in Ireland or the UK. It also provides students with the necessary preparation for a career as a Healthcare Assistant in Hospitals or in Nursing Homes.

MODULES

- Care Skills
- Care Support
- Safety & Health at Work
- Work Experience
- Teamworking/Communications
- Infection Prevention and Control
- Human Growth and Development
- Nursing Theory and Practice
- Anatomy and Physiology
- Mathematics (optional)

Modules are subject to change

ADDITIONAL CERTIFICATES

- Patient Moving and Handling
- Cardiac First Responder
- HIQA Standards
- Dementia Awareness
- Basic First Aid
- Safeguarding the vulnerable adult at risk of abuse
- Risk and restrictive practice in healthcare
- Tusla Child Protection
- End of life care

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting will also be required.

Sports, Nutrition & Injury Prevention

QQI
Level 5

COURSE DETAILS

Code: **5M5146** Award Title: **QQI Level 5
Certification in Sports & Recreation**

DURATION

Full Time:
Sept 2022 - May 2023

This one year full-time programme at QQI Level 5 provides a wide range of subject areas within the ever growing sport and leisure industry. There is particular emphasis on sports injury prevention, which incorporates exploring factors associated with common sport related injuries, including appropriate methods of prevention and treatment. The programme also examines the nutritional composition of food, including digestion, absorption and the effects of food and nutrition on an individual's health and well-being. There will also be an opportunity to use the local Leisure Centre as part of this Programme.

MODULES

- Exercise and Fitness
- Sport & Recreation Studies
- Sport and Exercise Injury Prevention
- Nutrition
- Adventure Activities
- Soccer Coaching
- Teamworking
- Work Experience

All Modules are subject to change.

ENTRY REQUIREMENTS

Leaving Certificate or QQI Level 4, or equivalent standard of education. All applicants are subject to an interview and an online assessment. Garda Vetting will also be required.

** New Course for September 2022.

STUDENT INFORMATION

PLC FEES

€50 QQI Certification Fee (Level 5) or €80 (Level 6)

Medical Card holders do not have to pay the above Certification fee.

GRANTS

- SUSI applications can be made online at www.susi.ie
- Back to Education Allowance Scheme: When you are accepted on a course, you should notify the DEASP by filling in the Back to Education Allowance Application Form, which is available from your Intreo Office.
- There is detailed information on the range of grants and funds for students in further and higher education on the website www.studentfinance.ie.

HOW TO APPLY

- Applications can be made online at www.tullamorefetc.ie
- Entry to all PLC Programmes are subject to an in-house online assessment (BKSB) and an interview.
- PLCs are not in the centralised CAO system, so applications must be made directly to Tullamore Further Education & Training Centre for September 2022.

ADULT GUIDANCE SERVICES

- Appointments on a one to one and group basis
- Educational and career guidance
- Assistance with application forms for Further Education and Third Level Institutions, both in Ireland and the UK.
- Information on funding and grants.

LEARNING SUPPORT SERVICE

- Learning support is provided to students who require additional support with their academic studies.
- Dyslexia support, including assistive technology is also provided.

Tullamore Further Education & Training Centre

PLC Office - 4th Floor
Castle Buildings, Tara Street,
Tullamore, Co. Offaly.
